EXPERIENCE

Postdoctoral Researcher

ADVODID Project - King's College London

London, United Kingdom

September 2023 - Current

The ADVODID project is supported by a grant of £1.75million from the European Research Council. The project looks at the use, impact and consequences of digital advocacy on policymakers and citizens, shedding light on how digital tools become central to political campaigning and activism. I am the leading experimenter on the project.

European Consortium for Political Research (ECPR) Summer School

Graduate Teaching Assistant - Causal Inference

Virtual Event

July 2023 - August 2023

ADVOCACY

- DPhil in Politics Students Representative
DPIR, The University of Oxford October 2021 - Current
- Equality Representative (Outreach and Access Committee)
July 2021 - Current

DPIR, The University of Oxford

I have created a student-led open day targeting students with underrepresented backgrounds among DPIR current students. The objective is to increase the number of their applications. This event will now be replicated by other departments at the University of Oxford.

- Volunteer

December 2020 - May 2022

Women for Election, Dublin, Ireland

I compiled a dataset with the contact details of Irish charities working on women's and marginalised groups' issues in Ireland.
